I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that Flow Chiropractic will aid in preparation of any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to Flow Chiropractic will be credited to my account on receipt. However, I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment.

I am aware and agree to pay a minimum finance charge of 1.5% per month (annual percentage rate of 18%) or a minimum of \$2.00, whichever is more on any amount not paid after 30 days. If collection is made by suit or otherwise, patient and/or responsible party agree to pay interest until paid, collection costs of 50% of the remaining balance, all attorney fees and court costs. If any portion of this bill or the providers' services is disputed, I agree to submit myself to mediation or arbitration and will pay the costs of doing so.
